## Daphne's Fuels First Responders

During the California wildfires, Daphne's mobilized team members to deliver Fresh, Greek and Delicious meals to hundreds of first responders, public safety officers, evacuees and volunteers. In one instance Daphne's Combo Plates were enjoyed while Clear Channel Radio raised \$150,000 for fire relief efforts. Daphne's also donated gift cards to various community organizations to use as needed in support of relief efforts.

Daphne's thanks the many first responders and volunteers for their sacrifices and valiant efforts in extinguishing California's wildfires.

DAPHNE'S GIFT CARDS

## Burbank, Glendale and North Hollywood Are Now OPEN!

In October, Daphne's opened three new Los Angeles area locations! Burbank, Glendale, and North Hollywood welcomed Fresh, Greek, and Delicious cuisine to their neighborhoods. The new restaurants celebrated its grand openings by serving up free Gyros Pita Jr. sandwiches to the first 100 guests.

Special recognition and thanks is due to the Team Members who participated in the openings of each location!

## Guest Columnists

*"I had amazing service and the people working there were so nice... I will definitely go back again!"*

- Glendale, CA

*"The food was great! My compliments to the manager and team members for great service."*

- Mission Valley, CA

"Daphne's has all of those wonderful food items you find at the popular Greek festivals including gyros, fried calamari, chicken and steak kabobs, and falafel.

The prices are so reasonable and the menu so healthy, why not take yourself on a culinary adventure to the Greek isles? Renew your connection with an old favorite like warm pita dipped in hummus or steak kabobs served with rice pilaf and a Greek salad. Or try something new like dolmas, stuffed grape leaves that are tender and packed with flavorful rice, pine nuts and herbs or spanakopita, crispy filo dough stuffed with savory spinach and tangy feta cheese."

- The Burbank Leader, CA

## A Star Among Us

### Meet Felipe Rodriguez

Felipe Rodriguez is an inspirational leader to his fellow team members. As a Shift Leader at Daphne's in Elk Grove, California, Felipe demonstrates his commitment to quality and teamwork daily. His team members say "Felipe always goes out of his way to help the guest and his fellow team members. Felipe has the willingness to learn new things and to take on new responsibilities. His 'cando' attitude is contagious."

Felipe has been a team member for the last three years, previously working at Daphne's Roseville at Sierra and Roseville at Fairway locations. His favorite thing about working at Daphne's is interacting with our guests. "I enjoy speaking with our guests about their experience and hearing how much they enjoy our food!"

When he's not working, Felipe enjoys hanging out with his friends and their families.

Congratulations Felipe on being this month's Star Among Us!
